

Burundi Explosion-proof Distribution Box Manufacturer

AI Overview

Leading international manufacturers like Atex Delvalle, BARTEC, Warom, Extol International, and Supermec provide explosion-proof distribution boxes suitable for outdoor use in hazardous areas, which can be supplied to Burundi. Recommended Manufacturers

1. Atex Delvalle Atex Delvalle specializes in custom-made explosion-protected local control stations and distribution boxes. Their products are made from stainless steel AISI 304L or 316L and are designed for extreme outdoor conditions. They offer ATEX and IECEx certified enclosures suitable for Zones 1, 2, 21, and 22, with configurable internal layouts, push buttons, switches, and LED indicators. Their robust design ensures functionality in harsh climates and extreme temperatures.
2. BARTEC BARTEC provides a wide range of explosion-proof and substance-resistant components for hazardous areas. Their solutions include Ex d (flameproof), Ex e (increased safety), Ex i (intrinsically safe), and Ex p (pressurized) enclosures. They offer customized control stations, power distribution boards, and motor control systems with global certifications and long design life, suitable for outdoor industrial applications.
3. Warom Warom manufactures explosion-proof distribution boxes, control equipment, and motor switches compliant with IEC, ATEX, and IECEx standards. Their products are widely used in petroleum, chemical, marine, and mining industries, making them suitable for hazardous outdoor installations.
4. Extol International Extol International supplies ATEX-certified explosion-proof distribution boards in materials like stainless steel, aluminum, and cast iron. Their enclosures are designed for Zone 1 (21) and Zone 2 (22) hazardous areas, with IP42 to IP66 ratings for outdoor protection. They offer multiple sizes and configurations for industrial power distribution.
5. Supermec Supermec offers ATEX and IECEx explosion-proof j...
