

Canadian Cold Connector 24-pin

Overview

24-pin Cold-Pressed Butt Heavy-Duty Connector HDC-HD-024 Industry and Socket 250V 10A in Clamp Connectors. Covers— Covers (sold separately) protect internal terminals on IP66 rated connectors and maintain their IP rating. Latching connectors with cord grips secure cable and protect it from strain. Connectors with two latching levers don't need as much room to unlatch as connectors with one. B&E Electronics is a leading electronics distributor in Canada with over 45 years of experience. Locations in Calgary, Alberta and Saskatoon, Saskatchewan. Find great deals on eBay for 24 Pin Connector. This type of header contains male pins within a plastic base and is meant to be mated with a rectangular cable connector or a female socket header for board-to-board connection.
