

Connecting Bridges

AI Overview

"Connecting Bridges" refers to several organizations dedicated to supporting individuals, families, and communities through counseling, therapy, and personalized care programs. Non-Profit and Community Support Connecting Bridges Together is a non-profit organization focused on building healthy relationships and providing support through education, counseling, and outreach programs. Their services include life coaching, substance abuse counseling, and court-approved programs designed to help individuals navigate life transitions such as divorce, addiction, or trauma. The organization emphasizes holistic well-being, emotional regulation, and communication skills to foster stable family environments and personal growth. Recovery and Personal Empowerment Connecting Bridges, LLC provides therapeutic, community-based services aimed at recovery and personal empowerment. Their programs help individuals manage urges related to substance use, improve independence, and enhance educational, social, and vocational skills. The organization uses evidence-based counseling to support long-term recovery and community transformation. Home Care Services Another branch of Connecting Bridges specializes in home care, offering personalized support for daily living activities such as hygiene, medication reminders, chores, and appointments. This service emphasizes autonomy, companionship, and tailored care plans to help clients maintain comfort and independence in their homes. Family and Educational Support Connecting Bridge Therapy focuses on families seeking parent coaching, school support, and Applied Behavior Analysis (ABA) services. Their programs target language development, behavior reduction, and positive communication skills. They provide guidance for parents, caregivers, and educators to ensure consistent support for children, including those with developmental delays or on waitlists for formal diagnoses. Summary Overall, "Connecting Bridges" encompasses a variety of servic...
