

Costa Rica Electrical Distribution Box Custom Manufacturer

AI Overview

Costa Rica hosts several experienced manufacturers offering customized electrical distribution boxes, enclosures, and junction boxes with international certifications and OEM/ODM capabilities.

Key Manufacturers and Capabilities

- 1. Sheet Metal Factory – Electrical Enclosures** This company has over 22 years of experience in processing electrical enclosure cabinets. They provide custom design and one-stop processing services for electrical cabinets, boxes, and enclosures, catering to industrial and commercial applications in Costa Rica.
- 2. Huaya Electric** Huaya Electric specializes in UL-certified junction boxes and electrical appliances for industrial, residential, and high-tech sectors. Their products include PVC junction boxes, multi-gang boxes, wall plates, and switches, designed to meet Costa Rican electrical codes (based on NFPA 70). They serve medical device manufacturing, hospitality, and high-rise commercial projects, offering OEM/ODM customization and ensuring compliance with ISO9001, UL, ETL, and other international standards.
- 3. Tico Electronics** Tico Electronics is a contract manufacturer in Costa Rica focusing on complex assemblies that combine machine and human interface. They provide customized assembly lines and flexible production for electrical components, including distribution boxes, with a strong emphasis on quality, certifications, and workforce training.
- 4. East West Manufacturing** East West offers high-quality electrical enclosures and junction boxes, including metal boxes with UL 870 certification. Their Costa Rica facility supports PCBAs, wire and cable assemblies, and complete box build assemblies, with CNC fabrication, powder coating, and knockouts for conduit tubing. They provide customizable sizes and surface or embedded wall mounting options, suitable for industrial lighting, motor control, and switchboards.

Considerations for Choosing a...
