

Custom Manufacturer of Fiberglass Cable Trays

AI Overview

Leading manufacturers of fiberglass cable trays include MP Husky, Enduro Composites, ALOIS Composites, Oglænd System Group, FiberTech, Friedrichs, Hallas Fiberglass, L-com Global Connectivity, Cablofil, and Ideal Industries. Key Manufacturers and Their Offerings MP Husky produces fiberglass cable trays with high strength-to-weight ratios, non-conductive and corrosion-resistant properties, suitable for offshore oil and gas, refineries, and laboratories. Their trays are available in polyester and vinylester resin systems and meet ASTM E-84 Class 1 Flame Rating and ASTM D-635 self-extinguishing requirements. Enduro Composites offers FRP cable trays designed for extreme conditions, including chemical plants, oil refineries, and water treatment facilities. Their products are pultruded for durability, chemical resistance, and electrical safety. ALOIS Composites specializes in high-performance FRP products with exceptional corrosion resistance, ideal for harsh environments such as chemical plants and coastal installations. Oglænd System Group provides a complete portfolio of fiberglass cable management solutions, emphasizing safety, longevity, and ease of installation for industrial and international applications. FiberTech focuses on fiberglass reinforced polymer products for cable management, offering durable and lightweight solutions. Friedrichs manufactures trays designed to withstand harsh environments, suitable for chemical processing, wastewater treatment, and oil and gas industries. Hallas Fiberglass produces lightweight yet robust trays that meet rigorous industry standards, offering both off-the-shelf and custom solutions. L-com Global Connectivity delivers high-strength fiberglass cable trays for data centers and telecommunications installations, with a focus on sustainability and performance. Cablofil emphasizes innovative cable management...
