

Direct supply from Nordic industrial optical module manufacturer

Overview

Navigator Nordic delivers optical transceivers, components and data center solutions for the Nordic market, with expert support, fast service and lifetime warranty. + LASER COMPONENTS Nordic is your partner for detectors, emitters, fiber optics, and optics. The applications for laser optics and optoelectronics are as diverse as the technologies themselves: Sensor technology, range finding, biotechnology with environmental and life science, aerospace & defense. All production facilities are certified according to DIN ISO 9001; in Germany also according to EN ISO 13485 for design, manufacture, sales, and service of our products. Company We manufacture our components for the photonics industry at various locations in Germany, Canada, and the US.

Article Content

Laser Components

Welcome to LASER COMPONENTS Nordic. We manufacture and distribute components for the photonics industry. No matter if you are located in Sweden,

Wholesale Optical Transceivers Module | 100G

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical

Azpect Photonics AB

Azpect Photonics AB was founded in 1994 and is now the largest and leading supplier of photonics equipment to the Nordic market. Since January 2012, Azpect has been fully owned by the pan

Optical Transceivers: High-Performance Modules for

Power your network with Innoptical's high-performance optical transceivers. From low data rates to 800GB, we have compatible, energy-efficient modules tested

Optics contract manufacturing

We offer custom design, testing, and manufacturing services, including compression-molded optics, thin-film coatings, and specialty optical

NORDIC LIGHTS® - Nordic Lights Ltd.

Nordic Lights Ltd. produces premium, high-tech work and driving lights for heavy-duty vehicles in the mining, construction, forestry, material handling and agricultural industries

Optical module chips supplied directly by the manufacturer

Through the manufacturer direct supply model, chip companies can deliver directly to optical module manufacturers or system integrators, reducing intermediaries and optimizing pricing.

Nordic Partners

Module Partners For customers who need fast time to market, higher level of integration, reduced development costs and reduced certification processes, Nordic has partnered with a range of module

10 companies in the optical transceiver industry chain 2024

The rapid development of AIGC has promoted the demand for 800G optical modules, and the entire industrial chain involving optical components,

Nordic Trading Partners | Industrial Components Supplier

Nordic Trading Partners operates as an independent distributor. We're not affiliated with these manufacturers, but we guarantee all parts are authentic, and can source from hundreds of other

Optical products & services

Senop is the leading provider of optical devices in the Nordics. We specialize in high-quality custom optics and optical components and provide turnkey service.

10 companies in the optical transceiver industry chain 2024

To help you choose the best partner, this article will analyze and introduce 10 companies in the optical transceiver industry chain for you.

Design Partners

Design Partners vs. Nordic tech support Nordic Design Partners sell services and solutions to help you in bringing new products to market. If you need technical

Nordic, Future Electronics enter global distribution partnership

The agreement sees Future added to Norwegian company Nordic's group of global distribution partners, and involves Future bringing Nordic's entire current product line to market.

High-Performance AI-Driven Data Center & Network Solutions

We collaborate directly with the leading optical factories behind the world's biggest brands — delivering the same high-quality modules, but without the inflated price tags.

LASER COMPONENTS Nordic

Understanding these distinctions, LASER COMPONENTS Nordic's seasoned sales team capitalizes on their experience in the optics and photonics industry. Ever

Top Industrial-Grade Sfp Module Manufacturer in Germany (High

7.Wolon Fiber (Wolon) — flexible supplier for scale & BOM consolidation Although not German, Wolon Fiber is a factory-direct SFP module supplier that positions itself to support industrial projects via

LASER COMPONENTS NORDIC AB in Göteborg, Laser apparatus

Manufacturing is conducted in-house at production sites in Germany, Canada, and the US, allowing direct control over quality and performance. LASER COMPONENTS NORDIC AB sources

Fiber optic transceiver, Fiber optic transceiver module

Find your fiber optic transceiver easily amongst the 154 products from the leading brands (Smiths Interconnect, Huawei, YOCF, ...) on DirectIndustry, the industry

Navigator Nordic

Navigator Nordic delivers optical transceivers, components and data center solutions for the Nordic market, with expert support, fast service and lifetime warranty.

Novo Nordisk

Novo Nordisk is a leading global healthcare company, founded in 1923 and headquartered in Denmark. Our purpose is to drive change to defeat

GD Optics | Think small

GD Optics'' premises are located at the industrial site of Sinn with excellent infrastructural connections. Our location with all

Nordic Trading Partners | Industrial Components Supplier

Nordic is completely trustworthy - they always find what we need, whether it's new parts, obsolete components, or hard-to-find items. I highly recommend them to anyone seeking dependable

Top 10 Optical Module Brand & Manufacturers

Find the Top 10 Optical Module brand, manufacturers, and exporters. Get the contact details and addresses of companies producing Keywords.

About us

Welcome to LASER COMPONENTS Nordic AB, your expert for photonics components. Each product in our wide range of detectors, laser diodes, laser modules, optics, fiber optics, and more is worth every

Industrial Distributors in the Nordics | NordicDistributors

Industrial Equipment Distributors in Scandinavia Explore the leading industrial equipment, hydraulics, automation, and robotics distributors across Sweden, Denmark, Norway, and Finland. From pan

Optical component

Find your optical component easily amongst the 39 products from the leading brands (Murata, Nikon, Yangtze Optical Electronic, ...) on DirectIndustry, the industry specialist for your professional purchases.
