

El Salvador Cold Aisle Cabinet Quotation

AI Overview

Cold aisle cabinets in El Salvador can be sourced from local manufacturers and suppliers, with quotations depending on aisle dimensions, cabinet specifications, and containment options.

Key Considerations for Quotation

When requesting a quotation for cold aisle cabinets, it is important to provide detailed specifications to suppliers:

- Aisle Dimensions:** Include exact aisle width, total aisle length, and distance from floor to ceiling. This ensures proper fit and airflow management.
- Cabinet Specifications:** Provide height, width, depth, and whether cabinets are uniform in height. Include in-row cooling units or UPS systems if applicable.
- Containment Type:** Decide between soft containment (thermal curtains) or rigid walls. Include door types (swinging or sliding) and any locking requirements.
- Obstructions:** Note any overhead obstructions such as cable trays, lights, sprinkler pipes, or beams that may require custom solutions.
- Ceiling Type:** Specify whether the ceiling is a standard drop grid, acoustical, or cement, as this affects installation.

Local Suppliers and Manufacturers

Several companies in El Salvador provide cold room cabinets and containment solutions:

- Machines and Equipments:** Leading manufacturer and exporter of cold room cabinets in El Salvador, offering customized solutions for commercial and industrial applications.
- Trademo Directory:** Lists multiple cabinet manufacturers and suppliers in El Salvador, including shipment details and trade intelligence for sourcing.
- Cold Storage Room Providers:** Companies like ONLYKEM (JINAN) TECHNOLOGY CO., LTD. offer cold storage rooms and freezer cabinets suitable for ice cream and other perishable products, with features like blast freezing, controlled atmosphere, and real-time temperature monitoring.
