

Electric distribution box manufacturers near Guatemala

AI Overview

Top recommended manufacturers in Guatemala include Electrix by Proelca, ELECSA, Anixter Guatemala, and Mouser Guatemala. Electrix by Proelca is a Guatemalan manufacturer with over 60 years of experience in producing electrical distribution solutions. They specialize in residential and industrial electrical panels, offering customizable, high-performance, and certified products. Electrix emphasizes local production, innovation, and rapid delivery, producing over 35,000 panels monthly. Their products are suitable for homes, industries, and large-scale projects, making them a reliable choice for both domestic and regional needs. Website: electrix.gt

ELECSA is a 100% Guatemalan company with more than 30 years of experience in distributing high-quality electrical equipment, including distribution boxes. They focus on customer-oriented service, providing expert guidance to select the best solutions for specific projects. Their team is highly trained, ensuring professional support and reliable products for residential and commercial applications. Website: elecsa.com.gt

Anixter Guatemala offers a wide range of industrial electrical enclosures, including NEMA-rated boxes (1, 3/3R, 4, 4X, 12-Rated). Their products are designed for extreme conditions, making them suitable for industrial and commercial installations where durability and compliance with standards are critical. Website: anixter.com

Mouser Guatemala provides distribution boxes and electrical enclosures with detailed specifications, datasheets, and inventory availability. They are ideal for engineers and contractors looking for standardized electrical boxes with reliable supply and technical support. Website: mouser.com.gt
