

Electrical distribution box enclosure grounding accessories

Overview

Grounding components such as grounding bars, grounding terminals, and bonding accessories are used to connect enclosure-mounted devices to earth ground. This reduces the risk of electrical shock, minimizes equipment damage, and helps prevent fire hazards. This Grounding Kit for Concept HMI, CCGK item measures 12 gauge with a material of Copper colored Green/Yellow. Terminal Block Strip For Junction Box, Length: 10 Inch, 12 Terminals, Wire Range: 22 - 10 AWG. Enclosure power distribution and grounding systems are essential for safe, organized, and reliable electrical installations in industrial and commercial environments. Rittal Online Shop: Smart Procurement, Simplified. Experience effortless e-procurement with real-time stock, personalized pricing, and seamless. Available in sizes 1/2" through 6" and ready to ship!
