

Explosion-proof cable tray manufacturer and seller

AI Overview

Reliable suppliers of explosion-proof cable trays include EX Industries, Hebei Yanwu, Supermec, and Spina Group, offering certified products for hazardous environments. Key Manufacturers and Suppliers

EX Industries EX Industries specializes in explosion-proof electrical equipment and custom engineering solutions for hazardous locations. Their products meet IECEx, ATEX, UL, CSA/CEC, GOST, and INMETRO certifications, ensuring safety and compliance in industrial applications. They provide technical support and application assistance for global projects, making them a trusted source for high-quality explosion-proof cable trays and related equipment .

Hebei Yanwu Explosion-Proof Electrical Co., Ltd. Located in Hengshui City, China, Hebei Yanwu has been manufacturing explosion-proof electrical appliances and cable trays since 1980. Their product range includes polymer, hot-dip galvanized, composite, fireproof, ladder-type, aluminum alloy, FRP, and steel cable trays. The company emphasizes quality, innovation, and sustainable competitiveness, with a professional technical team to support customized solutions .

Supermec Supermec offers a wide range of ATEX-certified explosion-proof equipment, including cable glands, plugs, sockets, and cable trays suitable for chemical, petrochemical, pharmaceutical, and oil & gas industries. Their products are designed for highly corrosive and hazardous environments, ensuring long-term durability and compliance with international safety standards .

Spina Group Based in Italy, Spina Group produces standard and tailor-made cable trays and accessories under their Schiavetti Tekno line. Their products comply with UL, ATEX, NEC, IECEx, and NEMA standards. They also manufacture industrial cables for high-corrosion or explosion-risk environments, providing fully customized solutions for European and international c...
