

Fiber Optic Communication Technology Accessories and Materials

Overview

Choose fiber optic accessories and tools for your next installation, including access tools, tool kits, polishing film, cleaning accessories, and replacement parts. Fiber optic patch cables, also known as jumper cables or fiber patch cords, serve as the lifelines of a fiber optic network, connecting various devices and ensuring the smooth flow of data. They come in different types, primarily single-mode and multi-mode, each designed for specific applications. In our online shop you will find a comprehensive selection of over 3,300 fiber optic cables, accessories and tools related to fiber optic technology. In addition to numerous fiber cable types, we offer a wide range of fiber optic components, such as fiber optic connectors, fiber pigtails, splice. Fiber optic cables are designed to provide high-speed, no-signal-loss, and EMI-free communication in telecommunication, powergrid, datacenter, broadband, and industrial applications.
