

Galvanized cable tray manufacturer direct sales of in-stock items

AI Overview

Leading manufacturers of galvanized cable trays include Spina Group, Gersan, and Direct Channel, offering direct sales and a range of industrial-grade solutions. Key Manufacturers

1. **Spina Group (Schiavetti Tekno)** An Italian manufacturer with decades of experience, Spina Group produces galvanized, stainless steel, and wire cable trays in various types such as ladder, perforated, closed, and wire-mesh. Their trays are designed for strength, corrosion resistance, and long-term performance in industrial environments. They offer custom sizes, compatibility with Unistrut systems, and full technical support, including design, testing, and after-sales assistance.
2. **Gersan** Based in Turkey, Gersan manufactures hot-dip galvanized, pre-galvanized, stainless steel, aluminum, and powder-coated cable trays. Their products are suitable for diverse applications, including airports, ships, refineries, and food industries. Gersan emphasizes durability, corrosion resistance, and hygienic standards, with coating thicknesses between 15–25 microns for pre-galvanized trays. They also provide complete carrier systems and heavy-duty options for high-load applications.
3. **Direct Channel** Direct Channel offers light, medium, and heavy-duty galvanized cable trays with pre-galvanized and hot-dipped finishes. Their trays range from 50mm to 600mm in width and are available in 1-meter and 3-meter lengths. Accessories include couplers, bends, tees, crossovers, lids, and variable risers for flexible installations. Direct Channel supports direct sales, allowing customers to purchase complete systems tailored to project requirements.
4. **Other Options via DirectIndustry** Platforms like DirectIndustry list multiple manufacturers of galvanized steel cable trays, including CARPEL, INTERFLEX, and VALDINOX. These suppliers provide wire mesh, ladder, and perforated trays with various thicknesses and finishes, often feat...
