

## Huijue Cable Tray Quotas

### AI Overview

Huijue cable trays are available in bulk with unit prices starting around \$1 per unit for ladder-type trays, with minimum order quantities typically set at 100 units. Pricing and Quota Details Huijue ladder-type cable trays are hot-dipped galvanized and CE-certified, suitable for large-scale projects and resale. The unit price starts at approximately \$1, with a minimum order quantity (MOQ) of 100 units, making them ideal for bulk procurement. Prices may vary depending on tray type, material, dimensions, and additional accessories. Types and Specifications Huijue offers a variety of cable tray types, including: Ladder-type trays: Provide strong support for heavy power cables and allow good ventilation. Perforated trays: Suitable for lighter cables and easier cable management. Trunking systems: For organized routing of multiple cable types. Tray dimensions typically range in widths from 50 mm to 100 mm for medium-depth trays, with support spacing from 1.5 meters to 6 meters depending on load and material. The fill ratio and cable diameter determine the number of cables each tray can safely accommodate. Installation and Efficiency Huijue cable trays are designed for easy installation and modular scalability, which improves cable management efficiency in commercial and industrial settings. Properly installed trays can reduce maintenance time, prevent electromagnetic interference, and improve airflow, enhancing overall system reliability. Modular systems can scale to handle high-density cabling, supporting modern IT and 5G infrastructure requirements. Ordering Considerations When requesting a quota or quotation: Specify the tray type (ladder, perforated, trunking). Provide dimensions (width, depth, length per unit). Indicate the quantity required. Include any accessories or special coatings (e.g., hot-dipped galvanization, graphene coating). Bulk orders can be negotiated directly with suppliers or through verified importers to ensure competitive pricing and timely delivery. By providing these details, suppliers can generate an accurate Huijue...
