

Maldives Indoor Electrical Distribution Box Manufacturer

AI Overview

Nuomak, Multitec Maldives, Inzaa Company, and Fahamas Pvt Ltd are key providers of indoor electrical distribution boxes and related electrical solutions in the Maldives. Key Manufacturers and Suppliers Nuomak is an international manufacturer that supplies PS cabinets, MCCBs, and transparent waterproof electrical distribution boxes to clients in the Maldives. Their products are designed to withstand high humidity, salt spray, and coastal conditions, making them ideal for island environments. Nuomak's PS cabinets feature a four-side foldable door design for easier installation and maintenance, and they provide detailed design drawings for project customization. Multitec Maldives is a local mechanical and electrical company offering a wide range of customized electrical solutions. While their website emphasizes general electrical and mechanical services, they can provide tailored indoor distribution boxes and related electrical equipment based on client requirements. Inzaa Company Pvt Ltd supplies a comprehensive range of electrical products, including circuit breakers, sockets, electrical cables, and other components necessary for indoor distribution systems. They focus on sourcing from internationally reputed brands and provide delivery and installation support across the Maldives. Fahamas Pvt Ltd is one of the Maldives' leading providers of hardware and electrical items, offering over 3,800 products. They supply electrical distribution solutions suitable for residential, commercial, and resort applications, with a strong emphasis on quality, reliability, and after-sales service. Salesco Hardware also provides construction and electrical materials, including components for indoor electrical distribution, with personalized service for builders and contractors in the Maldives. Considerations for Selection When choosing a supplier or manufacturer for indoor el...
