

Network Cabinet 5-Ring Cable Management Unit

Overview

This horizontal cable manager is specially pre-assembled with 5 rounded D-rings, which allows simple, secure & flexible cable routing and keeps your rack environment neat and organized. Metal material cable organizer ensures high durability to resist rust and corrosion. You can simply and easily adjust the 5 plastic rings without the use of tools making this panel an easy and inexpensive solution for horizontal network rack cable management. Manufactured from robust steel. Leviton Five-Ring Horizontal Cable Managers are ideal for patch-cord distribution at the front of industry-standard 19-inch equipment racks, cabinets, and hinged wall-mounted brackets. Covers are available (sold separately) to provide a clean, finished appearance. Product information "19" cable management bar 1U with 5 turnable plastic brackets, black" from LogiLink Professional LogiLink's 19" rack mountable cable organizers make it easy to manage cables in any type of 19" network rack or enclosure.
