

North Asia Distribution Box Manufacturer

Simplex SC UPC

AI Overview

Top distribution box suppliers in North Asia include E-Abel, GEYA, DOHO, Himel, and GUANGPU Electrical, offering high-quality, customizable, and certified enclosures. Key Suppliers

E-Abel Electrical Equipments Inc. – Based in Foshan, China, E-Abel is a leading manufacturer with over 13 years of experience. They provide a full range of enclosures for residential, IT, industrial, outdoor, and EV charging applications. Their products feature plug-and-play designs, welding-free assembly, and patented mounting systems. E-Abel exports globally, including North Asia, and offers fast lead times of 7 days for in-stock boxes or 20 days for customized orders .

GEYA – Specializes in power distribution boxes with high safety standards. Their products support up to 600 VAC, main circuit breakers up to 1200 A, and branch breakers up to 250 A. GEYA enclosures are certified to international standards, suitable for industrial and commercial applications .

DOHO – Offers versatile distribution boxes for industrial, data center, security, and telecommunications applications. They provide both standard and custom options, ensuring compliance with safety regulations .

Himel – Known for durable and safe distribution boxes, Himel products are designed to last longer and meet international safety standards, suitable for appliances and industrial equipment .

GUANGPU Electrical Co., Ltd. – A professional Chinese manufacturer with over 20 years of experience, GUANGPU provides one-stop customized services, allowing clients to tailor size, color, design, and logos for their distribution boxes .

Additional Options Platforms like Alibaba and Global Sources list hundreds of distribution box suppliers in China, offering OEM, ODM, and patented products. These platforms allow buyers to compare suppliers, request quotes, and verify certifications for North Asian distribution needs .

Considerations for Selection Customization: Ensure the supplier can meet size, material, and design requirements. Certifications: Look for ISO, CE, or other international safety certificati...
