

Oman s optical fiber cable manufacturer

Overview

Oman Fiber Optic (OFO) was constituted in 1996 and commenced cable production in early 1999. Located in Muscat, the capital of the Sultanate of Oman, OFO uses state of the art technology to draw fiber and manufacture world class fiber cable products. We were pleased to welcome key representatives from our national stakeholders — including the Oman Investment Authority (OIA), Oman Broadband Company (OBB), and the Telecommunications Regulatory Authority (TRA) — to Oman Fiber Optic. This strategic visit was a valuable opportunity to present OFO's. Oman Fiber Optic's Fiber & Cable Manufacturing Division is dedicated to delivering high quality, reliable fiber optic cable solutions tailored to the evolving connectivity needs of modern communication networks. Designed and manufactured in our advanced facilities, our optical fibers and cables. The FOA was founded by people in the industry dedicated to promoting professionalism in the field of fiber optics and cabling. We are pleased to present our FOA Corporate Program Participants, who represent a wide range of companies offering products and services in all aspects of fiber optics and. Oman Cables Industry (SAOG) specializes in manufacturing a wide range of electrical products, including various types of cables. Their advanced manufacturing facilities and extensive distribution network highlight their expertise in high-quality cable solutions.
