

Pakistan Fiber Optic Cable Junction Box Manufacturer

AI Overview

Bee & Berry, PTCL Cables, and FiberMod are leading manufacturers of fiber optic cable junction boxes and related infrastructure in Pakistan. Key Manufacturers:

1. Bee & Berry (Pvt.) Limited Based in Islamabad, Bee & Berry manufactures optical fiber joint enclosures, FTTH/GPON components, and fiber termination solutions. Their junction boxes are made from high-strength copolymer polypropylene (CoPP), offering resistance to impact, vibration, and harsh environmental conditions. The company provides customizable enclosures, fast local delivery, and technical support for installation and troubleshooting, making them suitable for telecom, government, and defense projects across Pakistan.
2. Pakistan Telephone Cables Limited (PTCL Cables) Established in 1983, PTCL Cables operates state-of-the-art facilities in Hub and Faisalabad. They produce all types of optical fiber cables, copper telecom cables, HDPE pipes, and power cables. Their fiber optic enclosures and junction boxes are designed for both indoor and outdoor applications, supporting large-scale network deployments. PTCL Cables has a strong track record supplying government and private sector projects nationwide.
3. FiberMod Multiple Services On Demand (Pvt.) Ltd. FiberMod specializes in fiber optic products including closures, connectors, adaptors, patch cords, and media converters. They operate a fully equipped factory with ISO 9001:2015 certification, ensuring international quality standards. FiberMod also provides professional installation and maintenance services, offering a complete solution from manufacturing to deployment.

Additional Notable Manufacturers: Other companies in Pakistan involved in fiber optic cable and junction box manufacturing include Litech Sdn Bhd, Premier Cables (Pvt) Limited, and Max. Pakistan Telephone Cables Limited, which provide a range of fiber optic infrastructure components and...
