

Palestinian New Energy Fiber Optic Connector Wholesale Manufacturer

AI Overview

Duracom and Mada Al-Arab are leading Palestinian companies providing fiber optic connectors and wholesale solutions. Key Manufacturers and Suppliers Duracom Contracting and Telecommunications Co. Duracom, headquartered in Nablus, has been a trusted provider in Palestine since 1998. They specialize in high-performance fiber optic cabling, connectors, and accessories, offering end-to-end solutions from design and supply to full installation. Their products are designed to meet international standards, ensuring fast, secure, and reliable data transmission for businesses and communities across the West Bank. Mada Al-Arab Fiber Optics Company Established in 2010, Mada Al-Arab has expanded its coverage across all Palestinian provinces, including the West Bank and Gaza Strip. The company operates a national fiber optic network in partnership with electricity distribution companies and municipalities. They provide advanced fiber optic services and infrastructure, making them a key player for wholesale fiber optic components and connectors in Palestine. B2B Marketplaces and Verified Suppliers Platforms like TradeKey and Europages list Palestinian suppliers of fiber optic modules and connectors. These marketplaces allow businesses to customize minimum order quantities (MOQ) and directly contact verified manufacturers for bulk purchases. Products available include SFP optical transceivers, SC-Duplex connectors, GBIC modules, and CWDM transceivers, suitable for networking, SDH/SONET, and PON applications. Considerations for Wholesale Procurement Product Range: Ensure the supplier offers the specific connector types and modules required for your network setup. Compliance: Verify that products meet international standards for fiber optic communication. Customization: Many suppliers provide custom cable assemblies an...
