

Peruvian cable tray galvanizing manufacturer

AI Overview

Brilltech Engineers Pvt. Ltd. and Jeetmull Jaichandlall (P) Ltd. are leading manufacturers of galvanized cable trays in Peru, offering high-quality, customizable solutions for industrial and commercial projects.

Key Manufacturers

- Brilltech Engineers Pvt. Ltd.** Brilltech Engineers is a prominent manufacturer and exporter of galvanized cable trays in Peru. They offer a wide range of cable trays, including perforated, ladder, and custom designs, made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their products are designed to enhance cable organization, improve airflow, and ensure safety and durability. Brilltech provides tailored solutions, including system design support, installation guidance, and custom specifications to meet project requirements.
- Jeetmull Jaichandlall (P) Ltd.** This company specializes in galvanized cable trays with a focus on high-quality finishing and adherence to industry standards. They manufacture trays in various sizes, shapes, and colors, using modern equipment and advanced technology. Their galvanized cable trays are highly resistant to impact and deformation, making them suitable for diverse industrial applications. Jeetmull Jaichandlall emphasizes customization and quality control throughout the production process.

Product Features and Benefits

- Material Quality:** Galvanized steel ensures corrosion resistance and long-term durability.
- Variety:** Available in perforated, ladder, molded, and wire mesh designs.
- Customization:** Sizes, shapes, and finishes can be tailored to specific project needs.
- Safety and Efficiency:** Designed to protect cables, improve airflow, and optimize space.
- Compliance:** Products adhere to industry standards for electrical safety and performance.
