

Price List of Corrosion-Resistant Cable Trays in Madagascar

AI Overview

Corrosion-resistant cable trays in Madagascar typically range from \$10 to \$50 per meter, depending on material, type, and protective coatings.

Price Ranges by Material

- Stainless Steel Trays:** Highly corrosion-resistant and durable, ideal for harsh environments, generally at the higher end of the price spectrum, around \$25–\$50 per meter depending on size and finish.
- Aluminum Trays:** Lightweight, naturally corrosion-resistant, and suitable for elevated or coastal installations, typically \$20–\$50 per meter.
- Galvanized Steel Trays:** Cost-effective with moderate corrosion resistance, usually \$10–\$30 per meter; powder-coated or HDG finishes increase durability and cost.
- Fiberglass Reinforced Plastic (FRP):** Engineered for extreme environments, highly resistant to corrosion, often priced similarly to stainless steel or slightly higher depending on customization.

Factors Affecting Cost

- Tray Type:** Ladder trays are more expensive than perforated or wire mesh trays due to their load-bearing capacity.
- Surface Finish:** Powder coating, HDG, or specialized corrosion-resistant coatings increase upfront costs but extend lifespan.
- Size and Customization:** Wider or deeper trays, or custom dimensions, can raise the price per meter.
- Bulk Orders:** Large-scale purchases may reduce per-meter costs through volume discounts.
- Shipping and Installation:** Importing trays to Madagascar or requiring specialized installation can add to total project costs.

Practical Considerations

- Durability vs. Cost:** Stainless steel and FRP offer the best long-term corrosion resistance, especially in coastal or humid regions, while galvanized steel provides a balance of cost and durability.
- Maintenance:** Corrosion-resistant trays require minimal maintenance, reducing long-term operational costs.
- Supplier Support:** Local suppliers in Madagascar, such as Brilltech Engineers and Jeetmull Jaichandlall, offer guidance on material selection, s...
