

# Price of Double-Opening Household Electrical Distribution Box

LoRa handheld portable base station

## AI Overview

The price of a double-opening household electrical distribution box typically ranges from ₹150 to ₹280 per piece in India, depending on brand, material, and features.

**Typical Price Range and Suppliers**For standard residential double-opening distribution boxes, suppliers on IndiaMART list starting prices between ₹150 and ₹280 per piece. For example, Flucon Components Private Limited offers units starting at ₹150, Kay Kay Industries at ₹190, and Veroblue Sourcing at ₹280 per piece . Prices vary based on the brand, material quality, and number of circuits. Buyers can contact suppliers directly for bulk orders, delivery options, and updated pricing .

**Factors Affecting Cost**

- Material and Build Quality:** Plastic or metal enclosures, corrosion resistance, and weatherproofing influence the price. Outdoor-rated boxes are generally more expensive than indoor units .
- Capacity and Circuit Configuration:** The number of circuits, amperage rating, and single-phase or three-phase compatibility affect cost. Double-opening boxes may accommodate more breakers, slightly increasing the price .
- Safety and Features:** Integrated fuses, circuit breakers, surge protection, and smart monitoring features can raise the price but improve safety and long-term reliability .
- Installation and Maintenance:** While the purchase price is the primary cost, installation complexity and maintenance requirements can add to the overall investment .

**Where to Buy**

- IndiaMART:** Offers multiple suppliers with competitive pricing and bulk order options .
- Online Retailers:** Platforms like Amazon provide ready-to-ship distribution boxes with varying specifications for residential use .
- Electrical Supply Stores:** Local suppliers and specialized switchgear stores often carry standard double-opening household boxes with installation support .

**Summary**For a double-opening household electrical distribution box, expect to pay...
