

Price of galvanized cable trays in Ethiopia

AI Overview

Galvanized cable trays in Ethiopia typically cost around \$0.80 per meter for bulk industrial orders, with prices varying based on specifications, volume, and import duties.

Pricing Overview The cost of galvanized cable trays in Ethiopia depends on several factors, including material thickness, tray type (perforated, ladder, or solid), and supplier. For large-scale industrial projects exceeding 10,000 meters, hot-dip galvanized perforated trays can be priced as low as \$0.80 per meter when purchased in volume. Smaller orders or custom specifications may increase the price due to manufacturing and shipping costs.

Market Factors Affecting Price

- Material Costs:** Fluctuating steel prices directly impact galvanized tray costs.
- Import Duties:** Imported trays, which make up over 85% of the market, incur 15–20% additional costs due to customs and import taxes.
- Local Manufacturing:** Ethiopian manufacturers like Brilltech Engineers and NAHMA Precision Metal Products offer both standard and custom trays, which may be slightly higher in price but reduce lead times and shipping costs.
- Specifications:** Hot-dip galvanization with a minimum 80µm zinc coating is preferred for corrosion resistance, especially in humid or industrial regions, which can affect pricing.
- Regional Availability** High-demand areas include Addis Ababa, Dire Dawa, and Hawassa, with emerging industrial zones in Tigray and Amhara also showing growth. Suppliers in these regions can provide both standard and custom trays to meet Ethiopian Standards Agency (ESA) and International Electrotechnical Commission (IEC) requirements.
- Supplier Options**
 - Brilltech Engineers Pvt. Ltd.:** Offers a wide range of galvanized cable trays with custom specifications and local delivery.
 - NAHMA Precision Metal Products:** Provides ladder-type and perforated trays with professional manufacturing in Addis Ababa.
- Accio Platform:** Lists multiple verified suppliers with competitive pricing and customizable options.

In summary, expect galvanized cable tray prices in Ethiopia to start around \$0.80 per...
