

Prices of good cable trays in Yemen

AI Overview

Cable tray prices in Yemen typically range from \$10 to \$50 per meter, depending on material, type, and customization.

Cost Factors

Material: Cable trays are commonly made from galvanized steel, stainless steel, aluminum, or FRP (fiber-reinforced plastic). Galvanized steel is generally the most affordable, while stainless steel and FRP are more expensive due to corrosion resistance and durability.

Type and Design: Ladder, perforated, and trough designs are available. Ladder trays are widely used and moderately priced, while perforated or custom-shaped trays may cost more due to manufacturing complexity.

Size and Load Capacity: Wider trays or those designed to carry heavier cables are more expensive. Standard widths range from 100 mm to 600 mm, with larger sizes increasing material costs.

Customization and Accessories: Fittings, bends, junctions, and modular components can add to the total cost.

Suppliers in Yemen, such as Brilltech Engineers and Cable House, offer customized solutions to meet specific project requirements.

Installation and Maintenance: Cable trays are generally easy to install and require minimal maintenance, which can reduce overall project costs compared to conduit systems.

Price Range

Basic galvanized steel ladder tray: approximately \$10–\$20 per meter

Stainless steel or FRP tray: approximately \$25–\$50 per meter

Customized or heavy-duty trays: prices may exceed \$50 per meter, depending on specifications and supplier

Suppliers in Yemen

Brilltech Engineers: Offers galvanized and custom cable trays with corrosion-resistant coatings

Cable House: Provides a wide range of cable trays, including ladder, perforated, and trough types, with options for tailored installations

Jeetmull Jaichandlall: Recognized as a top supplier and exporter in Yemen, focusing on cost-effective and durable solutions

For accurate pricing, it is recommended to contact suppliers directly with your project specifications, as costs can vary based on material, size, and quantity.
