

Procurement from New Zealand Cable Tray Factory

AI Overview

New Zealand offers multiple reliable cable tray manufacturers and suppliers, including FDG, Steel & Tube, Equip Supply, and Cable House, providing a wide range of materials, sizes, and customizable solutions. Key Suppliers and Manufacturers

FDG Cable Containment provides a full range of cable trays, ladders, and baskets suitable for power, data, and audiovisual cabling. Their products are available in pre-galvanized and hot-dip galvanized finishes, with options for custom painting. FDG trays are modular, adjustable, and easy to install without specialized tools, making them suitable for projects of all sizes. Engineering data and compatibility with FDG Modframe™ and STRUT™ systems are available for planning and installation. Steel & Tube (EzyTray) offers a comprehensive range of cable trays and ladders, including BIM-enabled 2D and 3D CAD design support. They provide full take-offs from plans to complete quotations, making it easier to integrate cable tray systems into construction projects. Equip Supply Ltd specializes in Stern Cable Trays, which are durable steel trays designed for commercial and industrial projects. They emphasize easy installation, strong support for electrical and data cabling, and compliance with safety standards. Products can be purchased online directly from New Zealand. Cable House is a recognized manufacturer in New Zealand, producing cable trays along with other cable management products like hose clamps, cable ties, and connectors. They offer customized solutions, high-durability products, and international shipping. Cable House emphasizes quality control and customer satisfaction, making them a reliable option for bulk procurement.

Procurement Considerations

Material Selection: Options include galvanized steel, aluminum, and powder-coated finishes depending on environmental and load requirements. Custom...
