

Russian Professional Cable Tray Manufacturer

AI Overview

Leading Russian manufacturers of cable trays include EKA Group, Ekoplast, and Moskabel, offering high-quality, certified products for industrial and commercial applications. EKA Group Founded in 1997, EKA Group is one of Russia's leading manufacturers of cable support systems for electrical installations. Their production facilities feature modern, automated lines using high-quality cold-rolled and galvanized steel from Russian suppliers. EKA products are certified by multiple accredited institutions and comply with industry standards. They serve sectors such as petroleum, chemical, and defense industries, providing fast delivery and competitive pricing across Russia. Ekoplast Ekoplast specializes in a wide range of electrical installation materials, including cable trays, corrugated pipes, cable channels, and accessories. The company emphasizes innovation, automated production, and strict quality control. Ekoplast is ISO 9001:2008 certified and its products meet European CE standards, ensuring reliability for both domestic and international markets. Their cable trays are designed for hidden and outdoor electrical wiring, suitable for residential, commercial, and industrial applications. Moskabel (MKM) Moskabel, established in 1895, is a historic Russian manufacturer of cable and wire products. The company produces a vast range of items, including cable trays, with an annual output exceeding 40,000 km of cable products. Moskabel combines multiple factories and laboratories, ensuring high-quality production and environmental safety. They supply strategic partners such as the Ministry of Defense and Rosatom, and export products to Europe and Asia. Additional Resources For a broader list of Russian cable tray manufacturers, platforms like Trademo provide detailed supplier directories, shipment data, and trade intelligence, helping busines...
