

Supply of Japanese Trough-Type Cable Tray Manufacturers

AI Overview

Japan offers a range of reliable manufacturers and suppliers for trough-type cable trays, including Yashima Denko, Brilltech Engineers, and Cable House, providing high-quality, customizable solutions.

Key Manufacturers and Suppliers

1. **Yashima Denko Co., Ltd.** Yashima Denko specializes in cable trays for industrial applications, offering options with various surface finishes such as painting or hot-dip galvanizing. Their products are designed to ensure safety, organize wiring efficiently, and prevent accidents in factory environments.
2. **Brilltech Engineers Pvt. Ltd.** Brilltech Engineers is a prominent supplier and exporter of cable trays in Japan. They manufacture durable trays using materials like galvanized steel, stainless steel, and fiberglass. Their products include perforated and ladder-type trays that enhance airflow, prevent overheating, and optimize space. Brilltech also provides design support, installation guidance, and customization based on project requirements.
3. **Cable House** Cable House is recognized for producing high-quality cable trays with a focus on durability, reliability, and long operating life. They use advanced manufacturing technologies and graded raw materials to meet industry standards. Cable House also exports globally and offers competitive pricing for their comprehensive range of cable trays.
4. **Supermarket Track / Micro Sheet Crafts** Although primarily known for retail and supermarket racks, Micro Sheet Crafts also manufactures modular cable trays in Japan. They emphasize customization, high-grade steel fabrication, and timely delivery, catering to both small and large-scale industrial projects.

Product Features and Options
