

Suriname Ring Network Industrial Switch Price

AI Overview

Industrial ring network switches in Suriname typically range from \$200 to \$1,500 USD depending on port count, PoE capability, and industrial-grade features.

Market Overview The Suriname commercial switch market is dominated by imports from the United States, Netherlands, China, Canada, and Sweden, with a strong growth trend and concentrated market structure, which can influence pricing and availability. Industrial switches are often imported, and prices may vary based on shipping, import duties, and vendor markups.
