AI Overview

Trapezoidal cable trays in Vanuatu typically range from \$2 to \$25 per meter, depending on material, size, and supplier, with exact pricing available on request from local distributors.

- Tray Type:** Trapezoidal trays provide full cable protection, often costing more than perforated or wire mesh trays.
- Order Quantity:** Bulk orders can reduce per-meter cost.
- Shipping and Labor:** Importing to Vanuatu may add significant shipping costs, and local installation labor rates vary.
