

Vietnam Fiber Optic Reel 24 Cores

Overview

This fiber optic cable features the good mechanical and temperature performance. 24 Cores GYTA Fiber Optic Cable is with high strength loose tube that is hydrolysis resistant and the optical cable filling materials ensure high reliability, makes the cable crush resistant. Viet Fiber is a leading Vietnamese manufacturer specializing in high-performance Fiber Optic and Copper Structured Cabling Solutions. Established in 2014, we have built a reputation for manufacturing excellence and complete vertical integration, ensuring superior quality control and unparalleled. Discover fiber reels with armored cable protection and 4K/8K AOC technology for reliable telecom deployment. FPT Telecom International is a prominent telecommunications and IT company in Vietnam that offers a variety of services, including private internet connections and data transmission channels.
