

Where can I buy explosion-proof electrical distribution boxes from Germany

AI Overview

You can purchase ATEX and IECEx certified explosion-proof electrical distribution boxes from German manufacturers such as ROSE Systemtechnik, Pepperl+Fuchs, and BARTEC. German Suppliers and Manufacturers

1. ROSE Systemtechnik GmbH ROSE offers a wide range of explosion-proof enclosures, including aluminium, polyester, and stainless steel housings. Their products are certified for ATEX, IECEx, and EAC, suitable for gas and dust hazardous zones. Options include pre-assembled terminal enclosures, component-certified empty enclosures, and fully equipped PExcom polyester enclosures ready for immediate commissioning. ROSE also provides expert consultation for selecting the right temperature class, protection range, and material for your application . Website: ROSE Systemtechnik
2. Pepperl+Fuchs Pepperl+Fuchs specializes in Ex d (flameproof) and Ex tb (dust-protected) terminal and junction boxes. Their enclosures are made from copper-free aluminium and stainless steel, offering high corrosion resistance and durability for offshore, chemical, and hygiene-critical environments. They provide modular designs with various dimensions, terminals, and cable gland options, certified for ATEX, IECEx, and UL, suitable for Zones 1, 2, 21, 22, and Class I/II Division 1 hazardous areas . Website: Pepperl+Fuchs
3. BARTEC BARTEC offers a comprehensive range of explosion-proof and substance-resistant components, including low-voltage switchgear, control stations, and power distribution solutions. Their enclosures cover Ex d, Ex e, Ex i, and Ex p protection types and can be customized for specific industrial applications. BARTEC products are designed for long-term reliability in Zone 1 hazardous areas, with options for plug-in...
