

Where to buy electrical distribution boxes in Vietnam

AI Overview

Vietnam has a robust market for electrical distribution boxes, with numerous local suppliers and manufacturers exporting domestically and internationally. Suppliers and Manufacturers Vietnam hosts a strong network of distribution box suppliers, with at least 189 active suppliers shipping to over 211 buyers worldwide between July 2024 and June 2025. Key companies include YURA Corporation Vina, Sheng Shing (Vietnam - Hai Duong), and Technology Company Ltd., offering products such as CN-1800S.1 and CN-3600SE.1 control and distribution boxes with voltages ranging from 120V to 380V and various amperage ratings. BacThai Metal Joint Stock Company is another notable supplier providing metal distribution boxes.

Product Types and Specifications

Electrical distribution boxes in Vietnam cover a wide range of applications:

- Industrial and factory use:** Metal distribution boxes, MCB panels, and IP65 enclosures for power distribution in factories.
- Residential and commercial use:** Plastic or metal boxes with terminal blocks for safe electricity distribution, voltage ratings from 220V to 380V, and current capacities up to 100A.
- Specialized applications:** Solar power systems, hot water systems, and cold storage facilities, often certified to ISO 9001, ISO 14001, and TCVN 7994-1 standards.

Import and Export Insights

Vietnam is a major importer of electrical distribution boxes, with 947 shipments recorded from April 2024 to March 2025, primarily from China, South Korea, and domestic production. The country also exports distribution boxes globally, leveraging a network of verified suppliers to meet international demand.

Applications

Distribution boxes are essential for:

- Power plants and substations:** Ensuring safe and controlled electricity distribution.
- Industrial facilities:** Managing electrical energy for machinery and production lines.
- Renewable energy systems:** C...
