

Which Mexican manufacturers produce galvanized cable trays

AI Overview

Tecnotray, Basor Electric, and Jeetmull Jaichandlall are among the leading original manufacturers of galvanized cable trays in Mexico. Key Manufacturers

1. Tecnotray Tecnotray is a prominent Mexican manufacturer offering a wide variety of cable support systems, including mesh-type trays and squared hinged ducts. Their products are 100% Mexican-made and comply with high-quality standards certified by ANCE, LAPEM (CFE), PEMEX, and UL. Tecnotray emphasizes advanced painting technologies and corrosion-resistant stainless steel wire for severe industrial environments, making their trays suitable for chemical, food, and saline industries.
2. Basor Electric Basor Electric provides a comprehensive range of cable tray systems with detailed technical documentation, BIM 3D models, and CAD design support. Their galvanized trays are designed for efficient cable management, easy installation, and long-term durability. Basor Electric also offers software tools for dimensioning and project planning, ensuring precise integration into engineering projects.
3. Jeetmull Jaichandlall (P) Ltd. This manufacturer is recognized for high-quality galvanized cable trays in Mexico, offering various sizes, shapes, and finishes. They maintain strict adherence to industry standards and provide tailored solutions for different industrial applications. Their on-site manufacturing facilities use modern equipment and advanced technology to ensure consistent quality.
4. Other Suppliers Additional suppliers like Brilltech Engineers also provide galvanized cable trays in Mexico, focusing on hot-dip galvanized steel for superior corrosion resistance, perforated designs for ventilation, and easy installation for industrial and commercial projects.

Applications and Advantages
Durability and Corrosion Resistance: Hot-dip galvanized steel protects against rust, ideal for harsh environments.
Versatility: Available in lad...
