

Which manufacturers produce mesh cable trays in South Asia

AI Overview

Southeast Asia hosts several reputable manufacturers of wire mesh cable trays, including PT Sumber Surya Mandiri in Indonesia, NK Synergy in Malaysia, and distributors like RS Singapore. Key Manufacturers and Suppliers:

- PT Sumber Surya Mandiri (Indonesia)** PT Sumber Surya Mandiri specializes in a wide range of cable management systems, including wire mesh cable trays, cable ladders, and lighting poles. Their mesh trays are flexible, lightweight, and designed for quick installation, making them suitable for data centers and industrial setups. The company adheres to SNI and ISO 14001:2015 standards, ensuring quality and compliance for both local and international projects.
- NK Synergy (Malaysia)** NK Synergy offers wire mesh, perforated, ladder, and FRP cable trays in steel, stainless steel, and FRP materials. Their mesh trays are designed for durability and adaptability, suitable for power plants, data centers, and corrosive environments. They provide various finishing options to meet specific project requirements.
- RS Singapore** RS Singapore is a trusted distributor of cable trays from leading brands like Cablofil International, Legrand, and StarTech.com. They supply wire mesh trays along with accessories such as cable markers and binders. RS Singapore ensures efficient delivery and a streamlined procurement process, making it convenient for commercial and industrial projects.

Market Insights The Southeast Asian cable tray market is experiencing rapid growth, driven by infrastructure projects and industrial expansion. Wire mesh cable trays are particularly in demand due to their lightweight, flexible design and efficient heat dissipation, with buyer interest significantly higher than traditional ladder trays. Countries like Vietnam, the Philippines, Indonesia, Malaysia, and Singapore are key hubs for sourcing high-quality mesh cable trays.

Considerations for Procurement Mat...
