

Yemen Stainless Steel Cable Tray Manufacturers

AI Overview

Brilltech Engineers and Jeetmull Jaichandlall are prominent suppliers of stainless steel cable trays in Yemen, offering durable, high-quality solutions for industrial and commercial applications. Key Manufacturers and Suppliers:

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a well-known cable tray manufacturer and supplier in Yemen, offering stainless steel, galvanized steel, and fiberglass trays. Their products include perforated and wire mesh trays designed for enhanced airflow, cable protection, and easy installation. They provide support for system design, installation guidance, and project-specific customization, making them suitable for industrial, commercial, and infrastructure projects.
2. Jeetmull Jaichandlall (P) Ltd. This company is recognized among the top cable tray manufacturers in Yemen. They produce stainless steel cable trays in various sizes, shapes, and configurations, tailored to meet industry-specific requirements. Their manufacturing facility uses modern equipment and advanced technology to ensure high-quality finishing, durability, and compliance with industry standards. They also serve global clients, indicating experience with large-scale projects.
3. Ramdev Steel Industries Although based outside Yemen, Ramdev Steel Industries supplies stainless steel wire mesh cable trays suitable for commercial buildings, offices, and industrial setups. Their trays are lightweight, flexible, and designed for easy assembly, ventilation, and low maintenance, making them a practical option for projects requiring frequent modifications or high airflow.
4. SILTEC SILTEC offers stainless steel cable trays with a focus on hygienic and industrial applications, including food, chemical, and IT environments. Their products are designed for durability, cable protection, and compliance with stringent industry standards, and they provide global delivery and...
